GOVERNMENT OF BOMBAY.
General Department.
Resolution No. 390/33.
Bombay Castle, 17th April 1940.

Letter from the Superintending Engineer, Central
Circle, No.G.56(a)/1009, dated the 5th March 1940.-

"With reference to Government Resolution No.370/33 dated 4th October, 1939, I have the honour to state that in para. 2 thereof, it has been directed that the above mentioned examination should be held annually at Poona and conducted by a Board appointed by the Superintending Engineer, Central Circle in accordance with the rules and syllabus appended thereto.

"2. The professional examination for Overseers in the Public Works Department introduced in Government Resolution, P.W.D. No.6373/27 dated 22nd September, 1932 is being annually held at Nasik in August. As the Poona Division is a very heavy charge and the Nasik Division comparatively light, it has been decided by my predecessor that this examination be held at Nasik and I consider this arrangement to be more suitable..

"3. The Public Works Department examination is conducted by an Examination Committee consisting of an Executive Engineer and two Assistant Engineers, whereas the District Local Board Examination is to be conducted by a Board of Examiners consisting of an Executive Engineer, an Assistant Engineer and a District Local Board Engineer Both the Committee and the Board are to be appointed by the Superintending Engineer. These two examinations are to be held annually. The rules and the syllabus

of both...

of both are generally the same except in certain respects. Thus both these examinations are so similar that there is no reason for conducting them at two separate places. The Public Works Department and the District Local Board examinations can be held together without appreciable additional work. The East and West Khandesh Districts are nearer to Nasik in the same way as Satara and Sholapur are to Poona and no extra cost on account of travelling allowances would be involved by this arrangement. Besides there is no District Local Board Engineer now at Poona.

"4. Under these circumstances I would request that permission may kindly be accorded to hold the District Local Board Examination at Nasik (instead of at Poona) simultaneously with the Public Works Department one."

Government Memorandum to the Commissioner, Central Division, No. 370/33-C, dated the 12th March 1940.

Letter from the Commissioner, Central Division, No. L.B.D. No. 4/29, dated the 1st April 1940.

RESOLUTION.— The proposal made by the Superintending Engineer, Central Circle, that the examination for the professional test of the Engineering staff of the District Local Boards in the Central Division should be held at Nasik instead of at Poona (vide paragraph 2 of Government Resolution General Department, No. 370/33, dated the 4th October 1939). is approved.

Resolution No. 370/33.

Bombay Castle, 1st December 1941.

Read again Government Resolution, No. 370/33, dated the 4th October 1939.

Letter from the President of the District Local Board, Ahmedabad, No. 1528, dated the 6th September 1941.—

"I have the honour to invite reference to Government Resolution, No. 370/33, ~~dated~~ General Department, dated the 4th October 1939, copy of which was received with your No. L.F. 79, dated the 3rd November 1939 and to request you to be so good as to state whether the professional examination referred to therein is compulsory also for the Sub-Divisional Officers of the Board. Rule 1 of the Rules accompanying the said Government Resolution lays down that the examination will be compulsory for all overseers and sub-overseers both qualified and unqualified. The Board has created some Sub-Divisions and each Sub-Division is in charge of an officer designated as Sub-Divisional Officer. All the posts of the Sub-Divisional officers with the exception of post are filled up by persons who were formerly overseers. Of the 3 such persons one has passed the D.C.E. of the Poona Engineering College, while the two others are merely old and experienced hands and one who is a new recruit is a B.E. As the Government Resolution does not expressly lay down that the examination is compulsory for this class of officers, I think it necessary to make this reference to you.

"2. It may kindly be noted that the creation of the posts of Sub-Divisional Officers is in accordance with the Provisions of the Local Board Account Code and the Scheme was suggested by the Special Committee appointed by the Board in 1937 under the Chairmanship of the then Executive

Engineer...

Engineer, Mr. R.G.Sule. Under the terms of the Scheme there are to be no overseers or sub-overseers under the Board."

"Copy submitted to the Commissioner, Northern Division, with reference to Government Resolution, General Department, No. 370/33, dated the 4th October 1939.

"2. The Local Board Sub-Divisional Officers are equivalent to Overseers and the change in the designation cannot exclude such officers from appearing at the Examination.

"3. The Collector, therefore, requests that Government may be moved to insert the words 'Sub-Divisional Officers' after the words 'Overseers and Sub-Overseers' wherever they occur in the Government Resolution and the Rules printed with it."

Memorandum from the Commissioner, Northern Division, No. L. F. 687, dated the 13th October 1941.

2. These papers relate to the Professional Examn. of Messrs. M.J.Padwal and V.N.~~Ramdas~~ Panditrao, Engrs. of the D.L.Boards of Kolaba and Kanara respectively. The G.D. has no objection to the joint examination of the two Engrs. being held by the S.E.,C.C. The D.L.B., Kolaba, has agreed to pay the requisite fees. The G.D. had informed the D.L.B. Kanara, that if the Board agrees to pay the necy. fees, spl. arrangements will be made to examine Mr. Panditrao- vide G.L. (G.D.) No.3640/36-C, dated the 23-6-41. The Board was also, informed that if it would be convenient to Mr. Panditrao, arrangement would be made to examine both the Engrs. together. The D.L.B., Kanara, has stated that the Board's Engr. finds it convenient to appear for the Professional Examn. along with the engr. of the D.L.B., Kolaba. The Kanara D.L.B. has not definitely stated that the Board is agreeable to pay the fees presumably the Board is agreeable to pay the fees as it has agreed to the Joint examn. being held.

3. Please see G.L.No. 4061/36-E, dated the 13-2-41. The subjects of examn. of both the Engrs. will obviously be the same. As the examn. will have to be held on the dates convenient to both the Engrs., the S.E., C.C. may be asked to fix a dates in Jany. 1942, suitable to both the Engrs.
